Clause Paramount

2. If the vessel loads in the U.S.A.:

" This Bill of Lading shall have effect subject to the provisions of the Carriage of Goods by Sea Act of the United States, approved April 16, 1936, which shall be deemed to be incorporated herein, and nothing herein contained shall be deemed a surrender by the carrier of any of its rights or immunities or an increase of any of its responsibilities or liabilities under said Act. If any term of this Bill of Lading be repugnant to said Act to any extent, such terms shall be void to that extent, but no further."

If the vessel loads in Canada:

" This Bill of Lading, so far as it relates to the carriage of goods by water, shall have effect, subject to the provisions of the Water Carriage of Goods Act 1936, enacted by the Parliament of the Dominion of Canada, which shall be deemed to be incorporated herein, and nothing herein contained shall be deemed a surrender by the carrier of any of its rights or immunities, or an increase of any of its responsibilities or liabilities under the said Act. If any term of this Bill of Lading be repugnant to said Act to any extent, such terms shall be void to that extent, but no further."

Both to Blame Collision Clause

3. If the liability for any collision in which the vessel is involved while performing the Charterparty falls to be determined in accordance with the laws of the United States of America, the following clause shall apply:

" If the vessel comes into collision with another vessel as a result of the negligence of the other vessel and any act, neglect or default of the master, mariner, pilot or the servants of the Carrier in the navigation or in the management of the vessel, the owners of the goods carried hereunder will indemnify the Carrier against all loss or liability to the other or non-carrying vessel or her Owners in so far as such loss or liability represents loss of or damage to or any claim whatsoever of the owners of the said goods, paid or payable by the other or non-carrying vessel or her owners to the owners of the said goods and set off, recouped or recovered by the other or non-carrying vessel or her owners as part of their claim against the carrying vessel or carrier.

The foregoing provisions shall also apply where the Owners, operators or those in charge of any vessel or vessels or objects other than, or in addition to, the colliding vessels or objects are at fault in respect to a collision or contact."

General Average

4. General Average shall be payable according to the York/Antwerp Rules 1950 and shall be settled at the place provided in the Charterparty.

Where the adjustment is made in accordance with the law and practice of the United States of America, the following clause shall apply:

"In the event of accident, danger, damage or disaster before or after the commencement of the voyage, resulting from any cause whatsoever, whether due to negligence or not, for which, or for the consequences of which, the carrier is not responsible, by Statute, contract or otherwise, the goods, shippers, consignees or owners of the goods shall contribute with the carrier in general average to the payment of any sacrifices, losses or expenses of a general average nature that may be made or incurred and shall pay salvage and special charges incurred in respect of the goods.

If a salving vessel is owned or operated by the carrier, salvage shall be paid for as fully as if the said salving vessel or vessels belonged to strangers. Such deposit as the carrier or his agents may deem sufficient to cover the estimated contribution of the goods and any salvage and special charges thereon shall, if required, be made by the goods, shippers, consignees or owners of the goods to the carrier before delivery."

5. 1. No Bills of Lading to be signed for any blockaded port and if the port of discharge be declared blockaded after Bills of Lading have been signed, or if the port to which the vessel has been ordered to discharge, either on signing Bills of Lading or thereafter, be one to which the vessel is or shall be prohibited from going by the Government of the Nation under whose flag the vessel sails or by any other Government, the owner shall discharge the cargo at any other port covered by the Charterparty as ordered by the Charterers (provided such other port is not a blockaded or prohibited port as above mentioned) and shall be entitled to freight as if the vessel had discharged at the port or ports of discharge to which she was originally ordered.

2. The vessel shall have liberty to comply with any orders or directions as to departure, arrival, routes, ports of call, stoppages, destination, delivery or otherwise howsoever given by the Government of the Nation under whose flag the vessel sails or any department thereof, or by any other Government or any department thereof, or any person acting or purporting to act with the authority of such Government, or of any department thereof, or by any committee or person having, under the terms of the War Risks Insurance on the vessel, the right to give such orders or directions and if by reason of and in compliance with any such orders or directions anything is done or is not done, the same shall not be deemed a deviation, and delivery in accordance with such orders or directions shall be a fulfilment of the contract voyage and the freight shall be payable accordingly.
