PART II

(a) The Owners shall:

- (i) before and at the beginning of the voyage exercise due diligence to make the Vessel seaworthy and in every way fit for the voyage and for the trade for which she is employed, with a full complement of Master, officers and crew for a vessel of her type, tonnage and flag;
- (ii) ensure that throughout the currency of this Charter Party the Vessel and her Master, officers and crew will comply with all safety and health regulations and other statutory rules or regulations and internationally recognized requirements necessary to secure safe and unhindered loading of the cargo, performance of the voyage and discharge of the cargo;
- (iii) ensure that throughout the currency of this Charter Party the Vessel is fully insured in respect of loss of or damage to or in connection with cargo by the Protection and Indemnity Class of the P&I Club stated in Schedule A and also insured against hull and machinery risks for a value not less than that specified in Schedule A.
- (b) The Vessel as described in Box 9 and in Schedule A shall be classed Lloyd's 100 A1 or equivalent as stated in Schedule A. The Owners warrant to maintain that class throughout the currency of this Charter Party.

(a) The Vessel shall with all reasonable despatch proceed to the loading port(s) or place(s) stated in Box 6 or so near thereto as she may safely get and lie always safe and afloat, and there load the cargo stated in Box 8, and being so loaded the Vessel shall with all reasonable despatch proceed to the discharging port(s) or place(s) stated in Box 7 or so near thereto as she may safely get and lie always safe and afloat and there deliver the cargo.

If the Charterers have the right to order the Vessel to load and/or discharge at one or more ports out of several named ports or within a specific range, the Charterers shall declare the actual port or ports of loading and/or discharge within the number of days stated in Boxes 6 and 7, respectively.

Unless loading and/or discharging ports are named in this Charter Party, the responsibility for providing safe ports or places of loading and/or discharging lies with the Charterers.

(b) *Rotation of Ports*

Unless otherwise agreed, loading and/or discharging at two or more ports shall be effected in geographical rotation.

(a) Unless otherwise stated in Box 8, this Charter Party is for a full and complete cargo as described in Box 8.

(b) The Charterers warrant that the cargo referred to in Box 8 is non dangerous for carriage according to applicable safety regulations including IMO Code(s).

(c) Part Cargo - if agreed and stated in Box 8 that this Charter Party is for a part cargo, the Owners guarantee that any additional cargo shall be non hazardous and non-injurious to the cargo carried under this Charter Party and that in any event no fertilisers or chemicals will be loaded.

Such additional cargo shall be stowed in separate compartments and shall not affect the rate of loading and discharging of the cargo under this Charter Party as stipulated in Boxes 15 and 16, respectively.

If cargo other than the Charterers' cargo is loaded/discharged at the same port and/or berth and waiting time is incurred, such time shall be calculated on a pro rata basis according to the quantity of each cargo. If cargo other than the Charterers' cargo is loaded/discharged at the same berth, time shall only count when the Charterers' cargo is actually being loaded/discharged. Should cargo other than the Charterers' cargo interfere in any way whatsoever with loading/discharging of the Charterers' cargo, time shall cease to count entirely if the Charterers' loading/discharging is stopped completely or on a pro rata basis if partially stopped.

The Owners shall pay totally or proportionally the costs of lightening, if any, at the port(s) of discharge incurred due to loading of completion cargo.

(d) Unless otherwise stated in Box 8, all quantities shall be expressed in tons of 1,000 kilograms.

(a) Laydays shall not commence before 07.00 hours on the date stated in Box 10. However, notice of readiness may be given before that date and notice time shall run forthwith.

(b) Present position of the Vessel as per Box 12.

(a) The Charterers shall have the option of cancelling the Charter Party if the Vessel has not tendered notice of readiness to load on or before 17.00 hours on the cancelling date stated in Box 11.

(b) Should the Owners anticipate that, despite the exercise of due diligence, the Vessel will not be ready to load by the cancelling date, they shall notify the Charterers thereof without delay stating the actual date of sailing or the expected date of the Vessel's readiness to sail from her last discharge port and her expected date of readiness to load.

In notifying the Charterers of the delay the Owners may require the Charterers to declare within two working days after receipt of such notice

whether they will exercise their option to cancel the Charter Party or agree to a new cancelling date.

If the Charterers do not exercise their option of cancelling, then this Charter Party shall be deemed to be amended such that the fourth day after the new date of readiness indicated in the Owners' notification shall be regarded as the new cancelling date.

(c) The provisions of sub-clause (b) of this Clause shall operate only once and, in case of the Vessel's further delay, the Charterers shall have the option of cancelling the Charter Party as per sub-clause (a) above.

(a) The Owners shall give the following notices of ETA (Estimated Time of Arrival) at first or sole loading port to the Charterers and the Parties indicated in Box 13:

- (i)** notice of ETA at time of fixture;
- (ii)** 10 days notice of ETA;
- (iii)** 72 hours notice of ETA;
- (iv)** 24 hours definite notice of arrival.

Notwithstanding provisions to the contrary in Clauses 8 and 9, if the Owners fail to give notice in accordance with sub-clause 6 (a)(iv), laytime shall not start to count until 48 hours after the arrival of the Vessel.

(b) The Master shall give the Vessel's position every 72 hours after fixing and, if transiting the Suez Canal and/or the Panama Canal, the Master shall notify the Charterers thereof, stating time of entering and leaving the Canal(s).

(ii) 10 days notice of ETA;

(iii) 72 hours notice of ETA;

(iv) 24 hours definite notice of arrival.

Notwithstanding provisions to the contrary in Clauses 8 and 9, if the Owners or the Master fail to give notice in accordance with sub-clause 7 (a) (iv), laytime shall not start to count until 48 hours after the arrival of the Vessel.

(b) The Master shall give to the Charterers the Vessel's position every 72 hours en route to the discharging port and, if transiting the Suez Canal and/or the Panama Canal, the Master shall notify the Charterers thereof, stating time of entering and leaving the Canal(s).

(a) At each port of loading or discharging, notice of readiness shall be given by the Master to the Charterers and the Parties indicated in Boxes 13 and 14, as appropriate, when the Vessel is in the loading or discharging berth and has obtained customs clearance and free pratique and is in all respects ready to load or discharge.

(b) At loading port before tendering notice of readiness, the Owners and the Master shall ensure that all holds of the Vessel are clean, dry and free from smell and in all respects suitable to receive the cargo to the Charterers' satisfaction.

(c) If a loading/discharging berth is not designated or if such designated berth is not available upon the Vessel's arrival at or off the port, notice of readiness may be given upon arrival at the customary waiting place at or off the port, whether cleared at customs or not and whether in free pratique or not.

However, if upon the Vessel's arrival at or off the port she is prevented from proceeding to the loading/discharging berth by her inefficiency, weather, tidal conditions, strikes of tugs or pilots, or mandatory regulations, notice of readiness may be given only when such hindrance(s) has (have) ceased.

(d) Notice of readiness to load or discharge shall be tendered between the hours of 09.00 to 17.00 on ordinary working days, Sundays (or their local equivalents) excepted and between the hours of 09.00 to 12.00 on Saturdays (or their local equivalents).

(a) At first or sole loading and discharging port, laytime for loading and discharging shall commence at 07.00 hours on the next working day following tendering of notice of readiness in accordance with Clause 8.

(b) While at second or subsequent port(s) of loading and discharging, laytime shall count upon the Master's tendering of notice of readiness, whether in berth or not, provided the notice of readiness is tendered in accordance with Clause 8, otherwise the laytime shall commence at 07.00 hours on the next working day.

(c) If the notice of readiness has been tendered while the Vessel is at or off the port, in accordance with Clause 8, the laytime shall commence and shall count as if the Vessel were in berth.

(d) Actual time used for shifting to the loading/discharging berth or to a waiting berth in port shall not count as laytime unless the Vessel is already
