Fragment 21: A long, narrow strip of papyrus with several horizontal tears and a large irregular hole on the right side. The text is written in dark ink in a cursive script.

21

Fragment 25: A large, irregularly shaped fragment of papyrus with a jagged bottom edge and a small hole on the right side. The text is written in dark ink in a cursive script.

25

Fragment of ancient papyrus with handwritten text in two columns. The text is written in a cursive script. A small rectangular label with the number '191' is affixed to the upper right portion of the fragment.

Fragment of ancient papyrus with handwritten text in two columns. The text is written in a cursive script. A small rectangular label with the number '304' is affixed to the upper left portion of the fragment.

Fragment of ancient papyrus with handwritten text in two columns. The text is written in a cursive script. A small rectangular label with the number '95' is affixed to the upper right portion of the fragment.

Fragment of a papyrus scroll with Greek text. The text is written in a cursive hand and is partially obscured by damage and a small rectangular label with the number '55' in the upper left corner.

Fragment of a papyrus scroll with Greek text. The text is written in a cursive hand and is partially obscured by damage and a small rectangular label with the number '101' in the upper right corner.

Fragmentary papyrus scroll with Greek text, showing two columns of writing. The text is highly damaged and difficult to decipher, but appears to be a continuous passage. The left column contains approximately 15 lines of text, and the right column contains approximately 18 lines. The script is a cursive form of ancient Greek.

Fragment of a papyrus scroll with several lines of ancient Greek text. The text is written in a cursive hand and is significantly faded and obscured by the texture and damage of the papyrus. The fragment is irregularly shaped with jagged edges.

Fragment of an ancient papyrus scroll with Greek text. The text is written in a cursive hand and is arranged in approximately 15 horizontal lines across the fragment. The papyrus is heavily aged, showing significant discoloration and physical damage, particularly along the edges and in the center where the fragment is torn. The ink is dark and somewhat faded in places due to the age of the document.

Fragmentary papyrus scroll with approximately 15 lines of ancient Greek text. The text is written in a cursive hand and is significantly obscured by physical damage, including tears, holes, and areas where the ink has faded or been rubbed away. The fragments are arranged in a roughly horizontal strip across the upper portion of the page.

Fragmentary papyrus scroll with approximately 15 lines of ancient Greek text. The text is written in a cursive hand and is significantly obscured by physical damage, including tears, holes, and areas where the ink has faded or been rubbed away. The fragments are arranged in a roughly horizontal strip across the lower portion of the page.

Fragmentary papyrus scrolls with handwritten text in three columns. The text is written in a cursive script, likely Demotic or Hieroglyphic. The fragments are labeled with numbers 157, 158, and 159.
